# About Us

Marcel Hughes is the leading schoolwear brand in Nigeria with almost a decade of experience making high-quality school uniforms, footwear, and school accessories.

Our journey began in 2009 with the goal of developing a brand that would truly serve the needs of schools in Nigeria and the rest of West Africa, as well as address the most critical aspects of our environment. In terms of quality, we are completely committed to continuously improving the quality of our garments in order to provide the best fit and comfort to our customers.

As a company, we place an emphasis on understanding the needs of our customers and tailoring our products accordingly. Quality and reliability are of the utmost importance to us in all our engagements. We strive to follow ethical business practices and incorporate environmental sustainability principles into our operations.

We are happy to be your preferred wholesale school essentials supplier.
